Trip's Beer Trips is offering an exciting **OPTIONAL (extra cost)** opportunity to enhance your Annual Bavarian Hops Harvest Tour: A VIP Zeppelin flight tour over beautiful Lake Constance in Southern Germany.

Yes, this is a REAL Zeppelin that takes off from Friedrichshafen Airfield in the Tettang Hops Region close to Lake Constance (Bodensee) where the original Zeppelins have been manufactured since early 1900's. You will experience a once in a lifetime lighter than air event. At 1,000 feet you will be able to see 4 countries: Germany below you, Switzerland and the Swiss Alps across the lake, Lichtenstein to the southwest, and Austria and the Austrian Alps to the east.

We will be welcomed at the Aerodrome by a Zeppelin expert who will brief us on what we can expect during the flight. We will need our passports as we will be traveling in 3 different countries airspace. Upon returning to earth, you will receive a personalized commemorative flight certificate and Zeppelin booklet along with a celebratory glass of local beer or sparkling wine to cap off a perfect beer day: 4 beers, in 4 countries, on the land, in the air and on the water!

Cost: \$550.00 each person. This is optional and will be billed separately.
