

## PROVIDING OPPORTUNITIES FOR THE EXTRAORDINARY

### Pre-Trip Planning

- Make a list (copy for your phone and a stay-at-home copy with trusted person)
  - Your Passport & Driver's license #'s, COVID Vaccine record
  - Credit Card(s) #'s
  - Important people to contact @ home in case of emergency (phone & email)
  - Medical conditions that you have requiring special attention, food allergies, etc.
- Consider bringing about \$100 in local currency before you arrive overseas. No need to bring more, we will stop at a bank ATM soon after arrival. They give the best rates for cash.
  - We will discuss how best to use your credit card overseas when we get there.
- Clothes
  - Bring casual comfortable clothes & closed toe shoes. We will be doing lots of walking.
  - The weather is like ours this time of the year. Summer warm and in Spring and Fall, cool to cold days and cold evenings, I suggest layers including a sweater and long sleeve shirts as well as a light windbreaker that is also water resistant.
- Phone, IPAD, Computer prep
  - You will need a European power converter
  - Ask your phone company for a SHORT-TERM International Call plan
  - If you have an IPAD you may want to see if it is associated with a Phone # and you may have to do same set up with phone company
